Specialized Behavioral Health Treatment for Adolescents

oldvineyardbhs.com

Your teen deserves a supportive, caring environment to find health and healing. Old Vineyard uses evidence-informed, specialized adolescent services including optional discussions for addiction and trauma.

We provide quality treatment for adolescents ages 12 to 17 with inpatient programs to meet their needs.

We believe in a person-centered approach that values the dignity of the individuals we serve by treating them with compassion and respect.

Patient Satisfaction

We are proud of our high patient satisfaction scores ... for our Adolescent Inpatient Services

90% agree or strongly agree that they were very satisfied with their treatment

93% agree or strongly agree that they feel better now than when admitted

Survey data was collected from October 2018 - September 2019 by the CQI+ Outcomes Measurement System, which benchmarks patient satisfaction data to over 350 psychiatric hospitals.

Why you should choose Old Vineyard Behavioral Health Services:

- Specialists in treating adolescent (12-17) and adult behavioral health conditions
- Level-of-care assessment, 24 hours a day, 7 days a week, at no cost. No referral is necessary.
- Accept most major insurances including BC,UHC, and Tricare
- Evidence-informed, specialized services for adolescents and adults
- Daily academic instruction with a state-certified teacher throughout adolescent inpatient stay
- Multidisciplinary teams including board-certified psychiatrists, registered nurses, master's-level unit clinicians and mental health technicians
- Daily psychoeducational groups for all genders along with individualized adolescent workbooks based on specific diagnosis
- Optional adolescent group discussions on addiction and trauma
- Encourage visitation and participation in treatment from family and other support systems
